

How to Submit Transcripts for Transfer Credit Requests

During your application process, all official high school and postsecondary school transcripts should have been submitted to the Admissions Office. If you submitted your transcripts already, you do not need to submit them again unless there is an updated transcript to provide.

Some transcripts can be ordered through the OUAC. If this option is not available for you, your transcripts must be sent to us directly from the school(s) you have attended. School officials may submit documents by email, through electronic transcript submission methods, or by mail to the address below. IB or AP score must be sent from [IBO](#) or [College Board](#).
